Dear Lisa,

This letter is to confirm that Legrand has approved the TestPro CV100 Multifunction Cable Tester to be used in testing Legrand's Ortronics range of copper connectivity solutions for both Channel and Permanent Link configurations for Cat5e, Cat6, Cat6A performance with the firmware version 2.0 or later.

Legrand also accepts the test results provided by this tester for all warranty programs.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jason Finnegan', written over a horizontal line.
