Subject: **AEM TestPro CV100 CableAnalyzer Approval**

Dear Harshang,

Effective immediately, **Reichle & DeMassari AG** is pleased to announce the approval of the TestPro CV100 CableAnalyzer. This approval is based upon evaluation of the TestPro CV100 CableAnalyzer versus our network analyzer by **our in-house** Labs.

TestPro CV100 CableAnalyzer is approved for use in both Permanent Link and Channel certification testing with all our Category 6A/Class EA, Category 6/Class E and Category 5e/Class D system warranties in accordance with the latest versions of ISO/IEC 11801, EN 50173 & TIA 568

Sincerely

Andrew Sedman
Head of Technical Support & Training
