Dear Lisa,

This letter is to confirm that Signamax, Inc. has approved the TestPro CV100 Multifunction Cable Tester to be used in testing Signamax Cabling System for copper connectivity solutions for both Channel and Permanent Link configurations for Cat5e, Cat6, Cat6A performance with the firmware version 1.2 or later.

Signamax also accepts the test results provided by this tester for all 25-Year Signamax Cabling System Warranty programs.

Sincerely,

A handwritten signature in black ink, appearing to read "Hugo Arroyo", with a long, sweeping horizontal line extending to the right.
