Subject: **AEM TestPro CV100 Cable Analyzer Approval**

**Dear Harshang,**

This letter is to confirm that **Premium-Line Systems GmbH** has approved the TestPro CV100 Multifunction Cable Tester to be used in testing copper connectivity and fiber-optics solutions with the firmware version 2.0 or later.

**Premium-Line Systems GmbH** also accepts the test results provided by this tester for all **Premium-Line's** 25-Year-System Warranty Programs.

Sincerely,

**Premium-Line Systems GmbH**
