Dear Lisa,

This letter is to confirm that Optical Cable Corporation (OCC) has approved the TestPro CV100 Multifunction Cable Tester to be used in testing and certifying structured cabling installations that qualify for the OCC Extended Performance 25 Year Warranty.

OCC accepts the test results provided by this tester for warranties issued on behalf of our Multimedia Design and Integration Specialist (MDIS) in accordance with the terms and policies of the OCC MDIS certification program.

Sincerely,

A handwritten signature in black ink that reads "Jamey O. Calloway".
